ANNUAL REPORT 2007-2008

Endowment Fund of Rotary Club of Peoria

The Endowment Fund was created to expand the ability of the Rotary Club of Peoria to serve the needs of the Peoria area.

With significant income growth of \$11,575 from member contributions in the 2007-2008 Rotary year, The Endowment Committee is able to help fund a project recommended by the Community Service Committee. The project was proposed by the Altamont Park Neighborhood Association to purchase a warm water pressure washer to clean graffiti from buildings. The machine can be used by all neighborhood associations in the City.

The Fund has two sub-funds, the Blumenthal Scholarship Fund and the Manual High School Alumni Scholarship Fund.

*Three Peoria High School seniors were each awarded \$5000 scholarships.
Two Manual High School seniors were awarded a \$2000 and a \$500 scholarship.*

Ending Balances as of June 30, 2008

General Fund	\$55,558
Blumenthal Fund.....	\$25,796
Manual High School Scholarship Fund ...	\$42,169

Respectfully submitted: Endowment Fund Committee
